Insurance Is A Consumer Insurance Contract

This insurance is a consumer insurance contract for the purposes of the Insurance Contracts Act(Cth) (Insurance Contracts Act).

Your Duty To Take Reasonable Care Not To Make A Misrepresentation

Before you enter into any Policy with us, certain duties apply to you under the Insurance Contracts Act (Insurance Contracts Act). The Insurance Contracts Act imposes a duty that applies until the contract of insurance is entered into (or varied, renewed, extended or reinstated).

Your Duty When You Enter Into A Contract Of Insurance With Us For The First Time

When you answer our questions that are relevant to our decision about whether to accept the risk of insurance and, if so, on what terms, you must take reasonable care not to make a misrepresentation to us before the insurance contract is entered into.

It is important that you understand you are answering our questions in this way for yourself and anyone else that you want to be covered by the contract of insurance.

Your Duty When You Vary, Renew, Extend Or Reinstate The Contract Of Insurance

When you are proposing to renew, vary, extend or reinstate your Policy with us we may ask you to answer questions that are relevant to our decision whether to accept the risk of insurance and, if so, on what terms. Your duty is to take reasonable care not to make a misrepresentation to us before the insurance contract is varied, renewed, extended or reinstated.

We may also give you a copy of anything you have previously told us and ask you to tell us if it has changed. If we do this:

- you must tell us about any change (if you do not tell us about a change, you will be taken to have told us that there is no change); or
- tell us that there is no change.

What Is Taken Into Account To Determine Whether You Have Taken Reasonable Care

Whether you have taken reasonable care not to make a misrepresentation will be determined with regard to all relevant circumstances, including:

- the product type and its target market;
- explanatory material or publicity produced or authorised by us;
- how clear, and how specific any questions we asked were and how clearly we communicated to you the importance of answering those questions, and the possible consequences of failing to do so;
- whether or not an agent was acting for you;
- whether the contract was a new contract or was being renewed, extended, varied or reinstated;
- any particular characteristics or circumstances relating to you which we are aware or ought reasonably to have been aware of.

Any misrepresentation made fraudulently is a breach of your duty.

Who Needs To Tell Us?

This duty applies to you and everyone that is insured under the contract of insurance.

If You Do Not Tell Us

If you, or anyone insured under your Policy, fails to comply with this duty, we may be entitled to reduce our liability under your contract of insurance in respect of a claim, cancel the contract or both. If the non-disclosure is fraudulent, we may also have the option of treating your contract of insurance as if it never existed.

Duty Of Good Faith

Every insurance contract is subject to the doctrine of utmost good faith which requires that parties to the contract should act toward each other with the utmost good faith. Failure to do so on your part may prejudice any Claim and/ or the continuation of the insurance contract.

Renewal Procedure

We may offer to renew your Policy by providing a renewal invitation to you at least 14 days before the renewal date. The renewal invitation will include any new information you have told us, amounts payable by you for the new Period of Insurance (including premium, fees and Excesses applicable) and how payments are to be made.

It is important that you check the information shown on your renewal invitation before renewing each year to satisfy yourself that the details are correct and remain relevant. If any information is incorrect, incomplete, is no longer relevant or you need to disclose any further information to us, please call your broker at least 2 business days prior to the renewal date.

If you do not want to renew your Policy, please call your broker at least 2 business days prior to the renewal date.

GST And Taxation

GST refers to the goods and services tax which is the subject of A New Tax System (Goods and Services Tax) Act 1999.

The premium on this Policy includes an amount for GST and if we pay a Claim, your GST status may determine the amount to be paid on the Claim.

You must advise us if you are registered, or required to be registered, for GST purposes, and you must when requested tell us what your entitlement to input tax credits (ITCs) is for your insurance premium.

When determining the amount to be paid for a Claim under this Policy, any payment or supply we make to you for the acquisition of goods, services or other supply (or monetary compensation in lieu thereof) or otherwise for your Claim will be calculated on the GST inclusive cost of your Claim.

In calculating such payment, we are entitled to reduce it by any ITC to which you are, or would be, entitled:

- for the acquisition of such goods, services or other supply; or
- if the payment had been used to acquire such goods, services or other supply.

However, the total of all payments we make will not exceed the Sum Insured, limit or sub limit of liability, or other monetary limitation imposed or created by the Policy.

The Sum(s) Insured, limits and/or sub limits of liability, or any other monetary limitations are inclusive of any taxes, levies, duties or charges that the payment would be affected by or subject to.

If you make a Claim and we are obliged by law to withhold any amount from the payment in order to satisfy that law (for example, because you have not provided your ABN where required to do so), the amount withheld will be treated as forming part of the Claim payment paid under this Policy (even though you have not received the withheld amount).

The Insurance Council of Australia Limited has developed the General Insurance Code of Practice ("the Code"), which is a voluntary self-regulatory code. The Code aims to raise the standards of practice and service in the insurance industry.

How we settle your Claim

Reinstatement, Replacement or Repair

We may, acting reasonably, settle any Claim by payment, Reinstatement, Replacement or repair.

What You Must Do

If loss or Damage or an event occurs which is likely to result in a Claim, you must at your own expense:

- advise us as soon as reasonably practical of full details of any loss, damage, injury or notice of claim against you;
- provide us with information and evidence we may reasonably require;
- take reasonable precautions to prevent further loss or damage or liability;
- inform the police of any actual or attempted malicious damage, theft or housebreaking;

Where claims Are Made Against You Or Any Other Person Insured By The Policy:

- you or such other person must not admit responsibility or offer or agree to settle the claim by exercising your rights under this Policy without our prior consent;
- we will be entitled to take over any conduct in your name or such other person any legal proceedings to defend the claim and to seek any legal remedy against other persons;
- we will, acting reasonably and taking into account your reasonable interests, have full discretion in the conduct of negotiations, proceedings and settlement of the Claim and you or such other person must give such information and assistance as we may reasonably require.

How Claims Impact Your Insurance

Where you have a Claim under the Building or Contents Section of this policy which does not result in us paying the full Sum Insured, your cover will continue up to the full Sum Insured.

Where you have a Claim for Contents which results in us paying the full Sum Insured, the cover for your Contents will end, however, any other sections of the Policy taken will continue. In addition, we will provide temporary cover of \$10,000 for Contents up to a 3 month period after the date of loss, damage or destruction that led to your claim.

Where you have a Claim under Building which results in us paying the full Sum Insured the cover for your Policy including all covers will end.

No premium refund is due if you have paid your premium annually.

If you are paying your premium monthly, we will deduct the balance of the yearly premium from the Claim settlement. You will need to contact us if you want to apply for a new Policy for the Building or Contents you replace.

Fraudulent Claims

If any Claim is in any respect fraudulent or if any fraudulent means or devices are used by you or anyone acting on your behalf to obtain any benefit under the Policy, we will, acting reasonably, refuse payment of such Claim.

How We Settle Claims Under Building Cover (Section 1)

If your Claim for loss or Damage to your Building is covered under the Policy, we will pay the reasonable cost of repairing or rebuilding the Damaged part of your Building to the same condition as it was when new.

We will do our best to source materials that are the same type, standard and specification as the original materials that require replacing. Where these materials are not available in Australia, we will, acting reasonably, source and/or pay for the costs of materials that are of a similar kind or quality.

We will not pay to replace any undamaged items or materials.

The most we will pay for a Damaged dividing fence is your legal share (half the cost) of Replacement or rebuilding.

Repair or Replacement of Fixed Floor Coverings and Wall Coverings is limited to the room, hall or passageway in which the loss or Damage occurred.

We May:

- enter into a contract with a builder to repair or rebuild your Building; or
- pay you the cost of repairing or rebuilding your Building in cash or cash equivalent and taking into account your reasonable interests.

If your Damaged Building can be repaired or rebuilt, but you don't want to repair or rebuild to the original design or specification, we will pay you the reasonable amount to cover the cost of rebuilding or repairing your existing Building as new.

The most we will pay is your Building Sum Insured. Excesses and other deductions may be applied to these settlements. The payment amount may also be adjusted in accordance with the GST provisions in this document.

Where Replacement conditions do not apply, or you do not repair or reinstate the Risk Address within a reasonable timeframe, Claims will be settled on an Indemnity Basis.

How We Settle Claims Under Contents Cover (Section 2)

If your Claim for loss or Damage to your Contents is covered under the Policy,

We May:

- repair or replace the item (or items); or
- pay you the cost of repairing or replacing the item (or items) in cash or cash equivalent and taking into account your reasonable interests.

We Will Pay For The Replacement Cost Of The Damaged Contents Provided That:

- When we repair or replace your Floor Coverings or internal Window Coverings, we will only pay for the repair or replacement in the room or rooms where the loss or damage occurred.
- We will not pay for matching Floor Coverings or internal Window Coverings to create an uniform effect throughout your Building.
- The item is not more than 10 years old at the time of the loss or Damage (Except Electric Motor Burnout as provided); or
- If any part of a pair or set is lost or damaged, we will not pay more than the replacement value of the part which is lost or Damaged.

We consider the reasonable cost of repair or Replacement to be the retail price of the item as if it were new or if we were to repair or replace it on your behalf. Excesses and other deductions may be applied to these settlements. The payment amount may also be adjusted in accordance with the GST provisions in this document.

We will not pay to replace any undamaged items or materials.

Where Replacement conditions do not apply, or you do not repair or reinstate the Risk Address within a reasonable timeframe, Claims will be settled on an Indemnity Basis.

The most we will pay for Damage to your Contents is the Contents Sum Insured stated on your Certificate of Insurance, less any applicable Excess.

How We Settle Claims Under Loss Of Rent Cover (Section 4)

How We Calculate The Rent You Have Lost

The sum for which we will be liable will be the actual amount of Rent you have lost.

This is calculated from the date rendering the Risk Address Uninhabitable to the date that the Risk Address is deemed by us acting reasonably, to be fit for re-tenancy.

When We Will Not Pay For Rent You Have Lost

We will not pay for Rent you have lost where:

- there has been undue delay prior to repairs commencing;
- loss of Rent has arisen out of another insurer's claim;
- loss or Damage has not resulted from a Claim under Building cover (Section 1) or Contents cover (Section 2);
- loss or Damage to the Building has rendered the Risk Address Uninhabitable and we do not cover the Building;
- loss or Damage to the Contents has rendered the Risk Address Uninhabitable and we do not cover the Contents; or
- the Rent lost is more than the Sum Insured or limit stated in your Certificate of Insurance or this document.

How We Settle Claims Under Damage And Theft By Tenants (Section 5)

We will not pay more than the Sum Insured stated in your Certificate of Insurance.

We will, acting reasonably, settle your Claim for Damage And Theft By Tenants as follows:

Where there is a valid Claim under Damage And Theft By Tenants (Section 5), we will pay the cost of Replacement or Reinstatement to your Building and Contents to a condition substantially the same as, but not better than its condition when new, which includes the additional costs necessary to comply with current applicable government or local by-laws.

Provided that:

- Reinstatement or repair is commenced without undue delay, not including delays beyond your control such as unavailability of materials or labour, or processing of permits;
- the property located at the Risk Address is maintained in good condition prior to any Damage;
- cover in respect of Floor Coverings, Fixed Floor Coverings, Wall Coverings, ceiling coverings and Window Coverings is restricted to the room or rooms in which Damage occurs;
- the item is not more than 10 years old at the time of the loss or Damage; Where an item exceeds 10 years, the settlement may revert from Reinstatement conditions to Indemnity Basis;
- if any part of a pair or set is lost or Damaged, we will not pay more than the Replacement value of the part which is Damaged; or
- we will not pay to replace any undamaged items or materials.

Where Replacement Conditions Do Not Apply, Claims Will Be Settled On An Indemnity Basis Provided That:

- cover in respect of floors, Fixed Floor Coverings, Floor Coverings, Wall Coverings and Window Coverings, is restricted to the room or rooms in which Damage occurs;
- if any part of a pair or set is lost or damaged, we will not pay more than the Replacement value of the part which is damaged.

How We Settle Claims Under Tenant Default Cover (Section 6)

A Claim under Tenant Default Cover is payable under this Policy for the period shown on your Policy Certificate.

Conditions For Tenant Default Cover Claims

Cover is only provided where you:

- have collected at least 4 weeks rental bond at the beginning of the Lease Agreement
- obtain or hold the rental Bond Monies from the Tenant;
- proceed to exercise your legal rights including make an application for Rent loss, rental Bond Monies and compensation for any damages and/or expenses;

The maximum benefit on your Policy is a limit per Period of Insurance. For example, if two tenancies default during one Period of Insurance, the most we will pay is 20 weeks Rent combined for both claims. This means that if 7 weeks Rent had been paid on the first defaulting tenancy, then only 13 weeks Rent can be paid for the subsequent defaulting tenancy.

How Claims Are Calculated

Provided all conditions of cover are met the Claim will be calculated as follows:

- **Fixed term Lease Agreement**

Tenant default is payable from the date a Tenant has defaulted in their payments until the expiry of the fixed term Lease Agreement or until a day before a new tenant is due to move in, whichever is sooner.

- **Periodic Rental Agreement**

Tenant default is payable from the date a Tenant has defaulted on their payments until the day they vacate the Risk Address plus the number of days they are required to give as notice.

Rent reduction and deferral of Rent

If you agree to a reduction of Rent, you cannot claim the difference in rental payments. For example, if the rental is \$400 per week and you agree to reduce it to \$300 per week, the difference of \$100 is not claimable. Likewise, if you agree that a Tenant can stop paying Rent for a period of time, this amount is not claimable. If a Tenant subsequently defaults on Rent, a Claim may be submitted and will be paid on the new reduced rental amount. If a Tenant defaults on a rental deferral, the deferred amount is not claimable.

Rental Bond Deduction

The Bond Monies form the first part of any Damage or Theft by Tenant (Section 5) and/or Tenant Default (Section 6) and is able to be used for:

- unpaid water invoices;
- re-letting fees exceeding the policy limit of \$500;
- advertising costs;
- cleaning and steam cleaning costs;
- rubbish removal exceeding the policy limit of \$500;
- repairs/Maintenance;
- tribunal costs exceeding the policy limit of \$7,500;
- gardening;
- Rent default exceeding policy limits; or
- any other uninsured losses.

Once the Bond Monies has been fully utilised your Claim begins.

Allowable Bond Monies expenses over and above rental Bond Monies (exhausting the Bond Monies in full) are not covered under this Policy.

Applying For Holiday Property Protection

When you apply for this insurance, you will need to complete an Application form. We will use and rely upon the information supplied on that form to decide the terms of cover that we will provide.

If we accept your Application for insurance, you pay us the premium and we will provide you with the cover you have chosen. This is based on the terms contained in your Policy Documents.

The Certificate of Insurance will show important information relevant to your insurance including the Period of Insurance, your premium, details of your insured Risk Address, the Excess(es) that will apply to you and others, and whether any standard Policy terms have been varied by way of Endorsement.

Your cooling off rights

If you buy this Policy and change your mind, you can ask us to cancel your Policy within 14 days from the date cover originally commenced.

Provided that you have not made a Claim or an event has not occurred that could give rise to a Claim under your Policy, we will refund your premium. (We may deduct from your refund any government taxes or duties we cannot recover.) When your cooling off period ends, you retain cancellation rights (see the General Conditions which start on page 10 for details of the Refund Policy).

The Cost Of Your Insurance

We calculate your premium after taking into account a variety of factors that we have determined impact the risks in providing insurance to you – the higher your risk profile, the higher your premium.

The following table is a guide on how these factors combine together and may influence our assessment of your risk profile and therefore, your premium.

| Factor | Premium Rating Factor | |
|--|--|--|
| | Lower | Higher |
| The postcode where your Building and/or Contents are located | Lower risk postcode | Higher risk postcode |
| The amount you choose to insure your Building and/or your Contents for | Lower Sum Insured | Higher Sum Insured |
| Types of covers selected for your Policy | Both Building Cover and Contents Cover | Building Cover or Contents Cover only |
| The age of your Building | Lower Age | Higher Age |
| The construction type of your Building | Brick | Non Brick |
| The security of your Building | Approved alarm system | Poor Security |
| The amount of your Excess | A higher standard Excess is selected | A higher standard Excess is not selected |

The premiums payable by you are subject to applicable Commonwealth and State taxes and charges such as the goods and services tax (GST), stamp duty, emergency services levy (where applicable) and SGUA's non-refundable administration fee. The amounts will be shown in your Certificate of Insurance.

Making A Claim

If you wish to make a Claim under this Policy you can contact SGUA by calling 1300 697 482 or online at www.sgua.com.au/submit-a-claim.

Further information about the steps involved in making a Claim and how we handle Claims is set out in the Claims Handling and Procedure Section (which start on [page 89](#)).

Excesses

Standard Excesses

When you make a Claim, you will be required to pay or bear the standard Excess selected for your cover. These amounts will be clearly documented in your Certificate of Insurance. A standard Excess applies to each and every Claim that is accepted, unless stated otherwise.

Additional Fixed Excesses

The following Excesses apply in addition to your standard Excess as shown on your Certificate of Insurance. When you make a Claim under the following Claim types, the following additional Excess will apply per Claim.

| Claim Type | Excess that Applies In addition to the standard excess shown in your Certificate of Insurance |
|---|---|
| Accidental Damage by a Third Party other than your Tenant | \$250 per Claim |
| Accidental Damage by Tenant including Damage by Pets | \$250 per Claim |
| Theft by Tenant | \$250 per Claim |
| Earthquake, Named Cyclone, tsunami or volcanic eruption | \$5,000 per Claim |
| Flood | \$500 per Claim |
| Electric Motor Burnout | \$300 per Claim |

Underinsurance

It is your responsibility to ensure that the nominated Sums Insured are adequate. You should continue to reassess these Sums Insured during the currency of the Policy and prior to renewal each year.

Loss Of Rent Cover

If you have loss of rent cover, any payment we make under that cover is subject to an underinsurance assessment. This means if, at the time of loss, the Sum Insured for loss of rent is less than the full value of the annual rent you expect to receive, you will not have enough cover to fully reimburse you for the actual value of the rent lost. This is because where the Sum Insured is less than the actual value of rent lost, your Claim payment will be calculated as the loss of rent amount multiplied by the ratio of the Sum Insured to the amount of rent you expected to receive.

For example, if your claim for the amount of rent lost is for \$1,000:

- the total annual rental income you expect to receive is \$8,000; and
- your Sum Insured is \$6,000,

then, your Claim payment will be \$750, which is calculated in accordance with the following formula:

$\$1,000 \text{ (the rent you lose)} \times \$6,000 \text{ (loss of rent Sum Insured)} \text{ divided by } \$8,000 \text{ (Total annual rental income)} = \$750 \text{ (Amount Payable)}$

How We Settle Your Claim

Reinstatement, Replacement Or Repair

We may, acting reasonably, settle any Claim by payment, Reinstatement, Replacement or repair.

What You Must Do

If loss or damage or an event occurs which is likely to result in a Claim, you must at your own expense:

- advise us as soon as reasonably practical of full details of any loss, damage, injury or notice of claim against you;
- provide us with information and evidence we may reasonably require;
- take reasonable precautions to prevent further loss or damage or liability;
- inform the police of any actual or attempted malicious damage, theft or housebreaking.

Where claims are made against you or any other person insured by the Policy:

- you or such other person must not admit responsibility or offer or agree to settle the claim by exercising your rights under this Policy without our prior consent;
- we will be entitled to take over and conduct in your name or such other person any legal proceedings to defend the claim and to seek any legal remedy against other persons;
- we will, acting reasonably and taking into account your reasonable interests, have full discretion in the conduct of negotiations, proceedings and settlement of the Claim and you or such other person must give such information and assistance as we may reasonably require.

How Claims Impact Your Insurance

Where you have a Claim under the Building or Contents Section of this policy which does not result in us paying the full Sum Insured, your cover will continue up to the full Sum Insured.

Where you have a Claim for Contents which results in us paying the full Sum Insured, the cover for your Contents will end, however, any other Sections of the policy taken will continue. In addition we will provide temporary cover of \$10,000 for Contents up to a 3 month period after the date of loss, Damage or destruction that led to your Claim.

Where you have a Claim under Building which results in us paying the full Sum Insured the cover for your policy including all covers will end.

No premium refund is due if you have paid your premium annually.

If you are paying your premium monthly, we will deduct the balance of the yearly premium from the Claim settlement.

You will need to contact us if you want to apply for a new Policy for the Building or Contents you replace.

Fraudulent Claims

If any Claim is in any respect fraudulent or if any fraudulent means or devices are used by you or anyone acting on your behalf to obtain any benefit under the Policy, we will, acting reasonably, refuse payment of such Claim.

How We Settle Claims Under Building Cover (Section 1)

If your Claim for loss or Damage to your Building is covered under the Policy, we will pay the reasonable cost of repairing or rebuilding the Damaged part of your Building to the same condition as it was when new.

We will do our best to source materials that are the same type, standard and specification as the original materials that require replacing. Where these materials are not available in Australia, we will, acting reasonably, source and/or pay for the costs of materials that are of a similar kind or quality.

We will not pay to replace any undamaged items or materials.

The most we will pay for a Damaged dividing fence is your legal share (half the cost) of Replacement or rebuilding.

Repair or Replacement of Fixed Floor Coverings and Wall Coverings is limited to the room, hall or passageway in which the loss or Damage occurred.

We May:

- enter into a contract with a builder to repair or rebuild your Building; or
- pay you the cost of repairing or rebuilding your Building in cash or cash equivalent and taking into account your reasonable interests.

If your Damaged Building can be repaired or rebuilt, but you don't want to repair or rebuild to the original design or specification, we will pay you the reasonable amount to cover the cost of rebuilding or repairing your existing Building as new.

The most we will pay is your Building Sum Insured. Excesses and other deductions may be applied to these settlements. The payment amount may also be adjusted in accordance with the GST provisions in this document.

Where Replacement conditions do not apply, or you do not repair or reinstate the Risk Address within a reasonable timeframe, Claims will be settled on an Indemnity Basis.

How We Settle Claims Under Contents Cover (Section 2)

If your Claim for loss or Damage to your Contents is covered under the Policy,

We May:

- repair or replace the item (or items); or
- provide a cash settlement for the reasonable cost of repair or Replacement of the item (or items) and taking into account your reasonable interests.

We Will Pay For The Replacement Cost Of The Damaged Contents Provided That:

- When we repair or replace your Floor Coverings or internal Window Coverings, we will only pay for the repair or replacement in the room or rooms where the loss or Damage occurred;
- We will not pay for matching Floor Coverings or internal Window Coverings to create a uniform effect throughout your Building;
- The item is not more than 10 years old at the time of the loss or Damage (except for Electric Motor Burnout as provided in Section 2); or
- if any part of a pair or set is lost or Damaged, we will not pay more than the replacement value of the part which is lost or Damaged.

We consider the reasonable cost of repair or Replacement to be the retail price of the item as if it were new or if we were to repair or replace it on your behalf. Excesses and other deductions may be applied to these settlements. The payment amount may also be adjusted in accordance with the GST provisions in this document.

We will not pay to replace any undamaged items or materials.

Where Replacement conditions do not apply, or you do not repair or reinstate the Risk Address within a reasonable timeframe, Claims will be settled on an Indemnity Basis.

The most we will pay for Damage to your Contents is the Contents Sum Insured stated on your Certificate of Insurance, less any applicable Excess.

How We Settle Claims Under Loss Of Rent Cover (Section 4)

How We Calculate The Rent You Have Lost

The sum for which we will be liable will be the actual amount of rent you have lost.

This is calculated based on the amount of rent you have lost, which is calculated based on:

- For the first four months:
 - The amount of rent paid or deposits paid that you have returned and documented, for bookings which could not be fulfilled due to physical loss or Damage covered and accepted under this Policy;
 - The amount of rent unpaid from documented bookings which could not be fulfilled due to physical loss or Damage covered and accepted under this Policy;
- For any period after 4 months;
 - The amount you would have received during the period for bookings which could not be fulfilled due to physical loss or Damage covered and accepted under this Policy and based on paid documented bookings during the same period in the previous financial year.

If you have not owned the property for 12 months or greater, we will base this calculation on the rent of a similar property in a similar area.

Claims Settlement

When We Will Not Pay For Rent You Have Lost

We will not pay rent which is due for bookings which:

- fall outside of the reasonable time necessary for the repair or Reinstatement of the loss or Damage; or
- fall outside the 12 month period following the date of loss or Damage.
- We will not pay a Claim for loss of rent until such time as any Bond Monies collected as a security are legitimately exhausted.

We will not pay for rent you have lost where:

- There has been unreasonable delay prior to repairs commencing;
- Rent loss has arisen out of another insurer's claim;
- Loss or Damage has not resulted from a Claim under Building cover (Section 1) or Contents cover (Section 2);
- Loss or Damage to the Building has rendered the Risk Address Uninhabitable and we do not cover the Building;
- Loss or Damage to the Contents has rendered the Risk Address Uninhabitable and we do not cover the Contents; or
- The rent lost is more than the Sum Insured or limit stated in your Certificate of Insurance or this document.

Underinsurance

If the nominated Sum Insured for loss of rent which is noted in your Certificate of Insurance represents less than the amount of Rent you expect to receive during the 12 months from the commencement of the Period of insurance, then we will reduce the Claim payment by the proportion that the Sum Insured bears to the amount of rent you expect to receive.

For example, if your Claim for the amount of rent lost is for \$1,000;

- the total annual rental income you expect to receive is \$8,000; and
- your Sum Insured is \$6,000

then, your Claim payment will be \$750, which is calculated in accordance with the following formula:

$\$1,000 \text{ (the rent you lose)} \times \$6,000 \text{ (loss of rent Sum Insured)} \div \$8,000 \text{ (Total annual rental income)} = \750
(Amount Payable)

How We Settle Claims Under Damage And Theft By Tenants (Section 5)

We will not pay more than the Sum Insured stated in your Certificate of Insurance.

We will, acting reasonably, settle your Claim for Damage and Theft by Tenants as follows:

Where there is a valid Claim under Damage and Theft by Tenants (Section 5), we will pay the cost of Replacement or Reinstatement to your Building and Contents to a condition substantially the same as, but not better than its condition when new, which includes the additional costs necessary to comply with current applicable government or local by-laws.

Provided that:

- Reinstatement or repair is commenced without undue delay, not including delays beyond your control such as unavailability of materials or labour, or processing of permits;
- the property located at the Risk Address is maintained in good condition prior to any Damage;
- cover in respect of Floor Coverings, Fixed Floor Coverings, Wall Coverings, ceiling coverings and Window Coverings is restricted to the room or rooms in which Damage occurs;
- The item is not more than 10 years old at the time of the loss or Damage. Where an item exceeds 10 years, the settlement may revert from Reinstatement conditions to Indemnity Basis;
- If any part of a pair or set is lost or Damaged, we will not pay more than the Replacement value of the part which is Damaged; or
- We will not pay to replace any undamaged items or materials.

Where Replacement Conditions Do Not Apply, Claims Will Be Settled On An Indemnity Basis Provided That:

- Cover in respect of floors, Fixed Floor Coverings, Floor Coverings, Wall Coverings, and Window Coverings, is restricted to the room or rooms in which Damage occurs; or
- If any part of a pair or set is lost or Damaged, we will not pay more than the Replacement value of the part which is Damaged.
